DEMOCRATS GATHER AT JOPLIN TODAY

SPECIAL TRAIN CARRIES NORTHWEST MISSOURI DELEGATION

FOR STATE CONVENTION

Nodaway County Well Represented—Delegates Are Expected to Return Home Friday.

A special train of five Pullman coaches, laden with "regular" delegations from this and other northwest Missouri counties, destined to the Democratic state convention at Joplin, left the St. Joseph Union Passenger Station at 7:30 o'clock this morning.

The Reed delegation, which will contest the claim of the "regulars" from Buchanan for seats in the convention, will leave on a special interurban train for Kansas City at 4 o'clock this afternoon, and will make the remainder of the trip on the Kansas City Southern.

The train of Pullmans, routed over the Missouri Pacific, will not stop at Kansas City, and will not stop anywhere, except for coal, water or orders. It is due to arrive at Joplin at 4:30 this afternoon. The state convention will open at 10 o'clock a. m. Thursday. A twenty-piece brass band will join the "regular" party at Carthage.

The two delegations are the result of a "double-header" county convention held at the courthouse March 27, which at different times had two separate sets of officers, and elected two sets of delegates to the Joplin meeting.

The Nodaway county delegation registered includes J. O. Thompson, Guilford; Lowell Campbell, Barnard; Gordon Swinford, Pickering; C. F. Sisson, Parnell; A. P. Kidder, Maryville; Sherman Heflin, Maryville; M. E. Ford, Maryville; John Murvin, Maryville; Ed Wallace, Maryville; Doctor Wallis, Maryville; John C. Staple, Maryville; E. F. Jackson, Maryville; James Todd, Maryville; Mrs. J. O. Thompson, Guilford; Mrs. Lowell Campbell, Barnard; Mrs. S. A. Roach, Maryville; Mrs. Clara Pierpont, Maryville; Mrs. J. B. Robinson, Maryville; Mrs. John Wilson, Maryville.

UNION-HOPKINS SUNDAY SCHOOL CONFERENCE AT PICKERING.

The Older Boys and Girls Conference of Union and Hopkins townships will be held at two o'clock Sunday afternoon April 25th at the Pickering Methodist church. The officers who are to conduct these meetings are Zelda Wray, president; Lela Ulmer, vice president; Harold Brown, secretary and John Prather, treasurer. The meeting is public and every one is invited.

Gatty Sellars, world famed English organist of the Queen's Hall, London, England, concerts and the Crystal Palace musical festival, who will give a concert at the First Christian church tomorrow night at 8 o'clock.

DAVID REITER TO ADDRESS MASS MEETING TONIGHT

Union Service of all Churches to be Held at First Baptist Church at Eight O'clock.

David Reiter of St. Louis, state secretary of Missouri for the Sunday Alliance, will address a union meeting of all the churches to be held tonight at the First Baptist church at eight o'clock.

Mr. Reiter will speak from the subject "The Pearl of Days" which will be a plea for a better and stronger observance of Sunday.

The mid week prayer services at all the churches will be dispensed with for this meeting.

OLDER BOYS AND GIRLS LUNCHEON TONIGHT

A luncheon will be given at six o'clock tonight at the First Christian church for the young people of the church. This luncheon is being arranged by the members of the Sunday school who are workers in the older boys and girls council of the Sunday school association. The luncheon will be followed by a business meeting and conference, which will be dismissed in time to allow those attending to hear the lecture at the First Baptist church.

REDUCTION IN U. S. DEBT ACCOMPLISHED

NATION'S INDEBTEDNESS REDUCED BILLION AND HALF.

MADE IN PAST 6 MONTHS

Total Saving of Six Months Retirements Will be Nearly 65 Million to Federal Treasury.

Washington, D. C., April 20—A reduction of $795,660,000 in the national debt was accomplished by the Treasury Department during March, a report by that department shows.

Reduction in the national debt since September, when the retirements began, have been, by months, as follows:

October, $15,523,000; November, $94,478,000; December, $278,973,000; January, $168,689,000, and February, $264,057,000.

This makes a total reduction in the debt of $1,528,390,000 since the retirements began last fall. Calculating interest at the rate of four and one-quarter per cent, the annual saving to the Federal Treasury on this six months' reduction is $64,956,575.

The national debt stands now at a little less than $25,000,000,000, of which, of course, approximately $10,000,000,000 is for loans made to the Allies during the war, which eventually will be returned to the Treasury, making the amount that must ultimately be made good by the taxpayers approximately $15,000,000,000.

Commencation for the manner in which Treasury officials are handling the country's fiscal affairs comes from high Republican source. The Treasury officials, said Representative Frank W. Mondell, Republican floor leader in the House, "have handled a trying situation most admirably, but they cannot avert disaster unless we keep expenditures within our income." Supporting Treasury officials in opposing further bond issues, Mr. Mondell said that an actual reduction of the public debt is necessary during the next fiscal year, beginning July 1, "to sustain national credit."

Mr. Mondell added that "further bond issues could only be floated at greatly increased interest rates, at the cost of a considerable reduction in the market value of outstanding Government securities, with the grave danger of wrecking the specie basis of our currency, with the certainty of increasing the price of commodities and further enhancing the cost of living. Under these conditions, a further bond issue is unthinkable."

WALSH FUNERAL SERVICES HELD AT CONCEPTION

Young Farmer is Victim of Pneumonia—Burial in Conception Abbey Cemetery Tomorrow.

Funeral services for John Walsh, a young farmer living near Conception Junction who died yesterday morning after an illness of two weeks, will be held Thursday morning at Conception Abbey conducted by the Rev. Father Placidus. Burial will be in the Abbey cemetery.

Mr. Walsh contracted a severe cold which developed into pneumonia causing his death. He is survived by his wife and two small children.

ELMO SCHOOL BOARD RE-ELECTS ENTIRE FACULTY

Miss Leona Badger, Principal, Does Not Accept Work Another Year—Ten to be Graduated.

The entire teaching faculty of the Elmo schools has been re-elected for the coming year with the exception of Miss Elsie Houston, science teacher, who was not an applicant for the position. All have accepted their positions with the exception of Miss Leona Badger, principal, who is considering another position. The present faculty includes Miss Alberta Wilkerson, history and pedagogy salary $125 per month; Miss Birdie Ray, grammar department, salary $110; Miss Orpha Faris, intermediate department, salary $100; Miss Kate La Mar, primary, salary $100.

There will be ten graduates to finish the course of study this year. They are Leatha Castillo, Miss Opal Campbell, Miss Arcille Wood, Miss Esther McElvain, Miss Mabel McCumber, Miss Mary Kinman, Miss Edith Hamilton, Miss Sarah Slider, James Hull and Stephen Lamar.

IRELAND SCHOOL CLOSES PUPILS WIN PRIZES

Miss Nelle Cranor, Teacher—Basket Dinner and Prize Distribution On Closing Day.

The Ireland rural school term closed Friday with a picnic dinner and weiner roast enjoyed by the pupils and friends. The school was taught by Miss Nelle Cranor of Mound City.

Several prizes were awarded during the term. Robert Hughes received the prize for perfect attendance; Alyene Carmichael and Robert Hughes the prize for head class marks in the second grade and Pauline Hall in the fifth grade. Frances Shell, Ella Marjorie Shell, Pauline Hall and Roland Garrett also received prizes for getting the most "stars" during the term.

College Y. W. C. A. Meet.

The Y. W. C. A. of the State Teachers college held its regular meeting at the college this morning. The program was in charge of Mrs. L. E. White, devotional chairman. The feature of the meeting was the giving out of ten statements illustrative of the work of the Y. W. C. A. which were taken up in a general discussion. This was followed by a talk by Prof. Harry Miller.

To be Married Saturday.

The marriage of Miss Frances Isabelle Worst, the daughter of Mr. and Mrs. Truman Worst of Omaha, to Glenn E. Reese of this city will take place Saturday morning at the home of the bride's parents at 4514 Dodge street, Omaha. After a short honeymoon trip, Mr. Reece and his bride will take up their residence in Maryville. Mr. Reece is employed as a traveling salesman for the Townsend wholesale grocery company. The bride to be is a grand daughter of Mrs. Isabelle Worst of West Second street.

Visiting at Conception.

Mrs. John McGarry who makes her home with her daughter, Mrs. Charles Myers of this city, is visiting at Conception this week with her son, Dennis McGarry and family.

ANNUAL CLEAN-UP WEEK ABOUT DUE

PLANS BEING DISCUSSED FOR OFFICIAL SPRING CAMPAIGN

GENERAL RULES ISSUED

State Bureau Gives Systematic Plan For Community Clean Up—Committees to be Appointed.

The annual official spring clean up for Maryville is just about due and plans for putting the campaign through with a successful result and making the city the cleanest and prettiest town in the state are being generally discussed by the women's clubs and other organizations.

The work will probably be handled by a committee from the Federation of Women's clubs and the Chamber of Commerce working in co-operation. The women have some plans for the distribution of prizes and rewards which will create interest and zest in the beautifying of individual premises and the city at large, which they are getting in shape.

The state bureau has issued the following set of rules on a systematic cleanup campaign:

Take the rubbish, cans, ashes, boxes, barrels, etc., and burn them or have them hauled away.

Cut all the weeds and plant something good to eat or pleasant to look at.

Call in the junk man.

Hoe out the paths and spread fresh gravel.

Clean up the front yard—just the same as the back yard, only better, if you can.

Tear down old vines and trees and plant new.

Trim the trees and hedges.

Plant foliage and flower beds. Let the whole street see what a gardener you are.

Fix up the fences, the gates and the porch.

Make the walk safe and sound.

Paint everything that needs it. It will protect the wood and iron and be a 300 per cent investment.

Whitewash everything not painted. Try it and see how nice it looks.

Fix up the street gutter. Try salt on the weeds.

Sod exposed places.

Screen or cover the manure piles and fix the garbage can so Mr. Fly won't dine there before he visits you with his filthy feet.

Fill up holes and depressions where water gathers. It means mosquitoes. They mean malaria. If you must have a tin can or old pail around to feel comfortable, turn it upside down, so it won't be a "mosquito nest."

Screen the rain barrel.

Screen the doors and windows. You will sleep better, and the flies are not particular where they came from last.

Prepare disinfectants for daily use where they are needed. Try it first on the garbage can when empty.

Disinfect, clean and fly-proof the outhouses and vaults. Mr. Fly and bad odors make it necessary.

Clean up so you can drop a lighted match without starting a fire but don't drop the match.

Offer any vacant lots you own or control for flower or garden purposes.

Report particularly bad places—not your own—to the Chamber of Commerce.

JOHNSON LEADS IN NEBRASKA BRYAN DELEGATE AT LARGE

Indications Are That California Senator Will Carry Nebraska Primary by Big Majority.

Lincoln, Neb., April 21.—That Senator Johnson will carry Nebraska about twenty-five thousand to thirty thousand is practically certain when reports up to 9 o'clock this morning from 223 precincts out of 1849 gave him eighty one hundred and eleven votes. Wood is second with fifty-one hundred twenty seven and Pershing third with three thousand and eighty. Indications are that Bryan will be elected delegate at large to Democratic national convention.

Mrs. E. L. Crowson and daughter, Mary, of Pickering are Maryville visitors today.

W. J. Montgomery will leave tonight for Chicago on a short business trip.

TURKISH SETTLEMENT BEFORE SUPREME COUNCIL

No Definite Decission Reached in Sending Disarmament Ultimatum to Germany.

San Remo, April 21.—When the Interallied Supreme Council resumed their liberation work of the peace problems today, it was expected that the vital points of the Turkish settlement be out of the way before night and the decks cleared for taking up the German situation tomorrow. Some phases of the German question, notably the advisability of sending a disarmament ultimatum, have already been discussed informally but it is understood no definite decision has been reached.

ARMSTRONG FREED OF ALL CHARGES

CHARGE OF RECEIVING STOLEN GOODS DISMISSED TODAY.

TO DISMISS OTHER CASES

Charge Against Roy Martin Will Be Definitely Dismissed—Grand Jury Investigation May Follow.

Special to Democrat-Forum.

Casper, Wyo. April 21—Hugh Armstrong was finally freed of all charges of law violations here today when County Attorney Alfred Lowry dismissed the charge against Armstrong of having received stolen goods on which charge Armstrong was rearrested after being acquitted of the murder charge. No statement of the prosecutor was made in the dismissal.

Armstrong it is understood will accompany his parents back to Maryville as soon as the snow blockade here is lifted.

The cases against Roy Martin and Charles Moore, held with Armstrong on the charge of murder will be definitely dismissed. A grand jury investigation of county affairs will probably grow out of the developments in the murder case.

HANAMO RATES UNCHANGED FOR SIX MONTHS PERIOD

W. C. Bush, Chairman of Public Utilities Commission Stays Decision Until October 29.

A stay of decision was announced today by W. C. Bush, Chairman of the state public utilities commission, in the hearing of the Hanamo Telephone Company for a raise in service rates, and the present rates will remain in effect for six months or until October 29.

Last December the Hanamo Telephone Company asked for a raise in service rates. A protest was filed with the public utilities commission and a stay of 120 days granted during which time the rates were to remain at the old price.

A further stay of decision was announced today by Mr. Bush, and the former rates ordered effective until October 29, at which time definite ruling in the case would be given.

153 KILLED IN SOUTHERN STORM

TWISTERS SWEEP THROUGH ALABAMA, TENNESSEE AND MISSISSIPPI.

BIG PROPERTY DAMAGE

Entire Villages Swept Away in Some Sections—Loss Will Reach Many Millions.

Montgomery, Ala., April 21.—At the last summary, one hundred and fifty-three persons were killed and property loss estimated at one million dollars caused by a tornado which swept its way across the state of Mississippi, Alabama and Tennessee Tuesday according to detailed reports today. Forming the western Mississippi, the storms crashed eastward leaving paths desolation in their wake. One hundred are dead in Mississippi, thirty killed in Alabama and three in Tennessee.

Communication with many of the stricken districts was difficult, but fragmentary reports agreed that the tornado obliterated virtually everything in its path. At least one case—that of Ingomr, Miss.—practically the entire town was reported destroyed, and in several instances all members of a family were crushed in the debris of its home.

Striking first apparently in Jasper county, Mississippi, about 10 o'clock yesterday morning, the storm swept a narrow path across the remainder of the eastern border of the state, carrying destruction to a dozen or more communities. About the same time, effects of the same, or a similar distrubance were reported from counties in the northwestern corner of Alabama, the extreme force of the wind being expended after the Tennessee line was reached, in Williamson, Maury and Carroll counties.

Meridian, Miss., reported at least twenty one dead in that vicinity while twenty negroes were killed and a white man fatally injured near Aberdeen, with three deaths reported a few miles from Amory, near there. Twelve were killed and thirty injured, some probably fatally, at Decmer lumber camp, in Newshoba County, according to reports from Philadelphia, while Glenn reported ten dead, Ingomar, 6; Columbus, 5; Baker, 5; Bay Springs, 5; Rose Hill, 6, and Keownville, 2, with several fatalities in Bell schoolhouse near Starkville.

In Alabama, the rural districts around Sheffield, Gurley, Little Cove and Waco sustained the full force of the storm and with some sections still cut off, a score of bodies have been recovered.

Across the Tennessee line, 160 miles from Meridian, the storm still had force sufficient to upset residence and farm buildings and to cut a swath through forests and orchards. Only three deaths are known to have resulted in that state, however.

J. L. Kraft left this afternoon for Cleveland, O., on a short business trip.

WEATHER FOR TODAY

Probably thundershowers tonight or Thursday; cooler Thursday.

AUTO SPEEDERS.

Are reminded that the ordinance regulating motor travel will be enforced. This is to warn all motor drivers to observe the law.

W. O. GARRETT, Mayor.

TONIGHT AND TOMORROW

MARY PICKFORD

In Her Third Picture from Her Own Studio

"Heart O' the Hills"

Adapted from the famous novel by John Fox, Jr.

Directed by Sidney A. Franklin

Photographed by Charles Rosher

"You dare to pull my hair," cries Mary Pickford, as the little mountain girl just starting to school. And Mary shows the boys she can fight with her fists for her rights. It is the inimitable Mary with her laughs and frowns and intrepid daring, in the story of the feudist fights of the old Kentucky mountaineers.

Matinee each day at 2:30 and 4:10; Prices 17c and 28c. Night 7:30 and 9:00; Prices 17c and 28c. Those that can attend Matinee to avoid night crowds. Come early.

LARGEST CIRCULATION IN NODAWAY COUNTY

For Representative in Congress.

I hereby announce myself a Democratic candidate for Representative in Congress, Fourth Congressional District, Missouri subject to primary election first Tuesday in August, 1920

ROBERT I. YOUNG.

A15tf.

IT'S "MILK COW;" NOT "MILCH COW."

Hereafter it will be "milk cow" and not "milch cow"—at least so far as the United States Department of Agriculture is concerned.

This decision marks the termination of a controversy in which etymologists in the department have had not a little interest. Those defending "milch" have pointed to scriptural use and certain of the classics as establishing precedents, while the opposition has contended that dairymen, ranchmen, and farmers in general use "milk" instead of "milch" almost universally. The advocates of "milk" also favored that word because, they contended, it was more strictly an English word, while "milch" was akin to German. Since Americanization of language as well as ideals is an article in every patriot's creed, it is thought that this last sally of the "milk" defenders helped as much as any to decide the question in their favor.

FOR LUMBAGO

Try Musterole. See How Quickly It Relieves

You just rub Musterole in briskly, and usually the pain is gone—a delicious, soothing comfort comes to take its place.

Musterole is a clean, white ointment, made with oil of mustard. Use it instead of mustard plaster. Will not blister.

Many doctors and nurses use Musterole and recommend it to their patients. They will gladly tell you what relief it gives from sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet, colds of the chest. Always dependable.

30 and 60c jars; hospital size $2.50.

MUSTEROLE
WILL NOT BLISTER

PURE FABRICS LAW SOUGHT FOR U. S.

LAUNDRYMEN ARE CONDUCTING SCIENTIFIC STUDY OF MATERIALS

WHY SRIRTS WEAS OUT

National Association of Laundrymen Discover Holes Are Often Fault of Defective Textiles.

Pittsburgh, April 21.—When you buy wearing materials in the future you are going to know exactly what you are buying, if the National Association of Laundrymen can convince Congress that labels are necessary. If the materials be of linen, the laundrymen would have them so labeled; the same with silk or cotton. A bill known as the "pure fabrics" law is now being considered by a House committee.

Piqued by the constant criticism that laundries are unmerciful on clothes, a laundry fellowship was established at the Mellon Institute of Research here five years ago and a scientific study has been conducted. Much valuable data concerning textiles has been obtained as well as the effects on them of washing. The discovery that holes and tears in linen after it is returned from the laundry are more often the fault of weak or defective textiles than careless work in washing prompted the idea that manufacturers should label their goods.

The laundries of Pittsburgh now do much of their work as suggested by charts drawn up by the institute. Many interesting things were found by the chemists.

You may send a shirt to the laundry and it comes back torn. One reason is that one of the colored stripes may have been given a sulphur dye before it was woven into the material. This sort of dye on a material will weaken the ogods upon its contact with moisture. The shirt will be torn easily along the weakened stripe.

Many shirts which to the unaided eye pass for silk are composed of cotton filling threads and a few bushed out strands of silk fibers. A shirt of this kind will not survive intimate contact with soap and water even when carefully laundered by hand.

Again a shirt may come back with holes under the armpits which were not there when it was sent. The chemists have discovered that the garment at these places was weakened from the hydrochloric acid formed by deodorants used.

Another thing. The dirtier a garment or piece of linen is the harder the laundries must wash it to get it clean. So the moral here is: The cleaner the stuff is when you send it the longer it will last.

Then there is the question of "aged" garments. Clothes are like a horse.

The former price of these silks are $5.00, $6.50 and $7.50 per yard

Your choice Friday morning at 8:30, only per yard - $3.75

Haines
The Store Quality and Low Prices Built.

There is no way to tell the age of a shirt or a pair of socks or such things. When laundered in the regular way with the other dirty work the ancient stuff often can't stand it and so is bound to come back rather the worse for the experience. This state of affairs can't be helped if there is no discretion used in the laundry bag.

Special care, chemists say, is taken by the laundries to remove every stain. If it is a new one that the laundry people never met before, the article is sent to the institute laboratory, where it is given particular study. Practically every kind of stain can be removed if gone about the proper way.

VEGETABLE CHOWDERS GOOD AS WELL AS NOURISHING

A mixed vegetable chowder is a substantial dish and one well liked by the majority of people for luncheon or supper. The following recipe is one recommended by the home economic specialists of the United States Department of Agriculture:

4 potatoes, 3 carrots, 3 onions, 1 pint canned tomatoes, 2 cups skim milk, 2 tablespoons fat, or a piece of salt pork, 3 level tablespoons flour, 2 teaspoons salt.

Cut potatoes and carrots in small pieces, add enough water to cover, and cook for 20 minutes. Do not drain off the water. Brown the chopped onion in the fat for five minutes. Add this and the tomatoes to the vegetables. Heat to boiling, add two cups of skim milk, and thicken with flour. Celery tops or green peppers give a good flavor, too.

Brightening Their Lives.

The clergyman of a poor parish was showing a rich lady around, hoping to touch her heart and so receive a big check for his people.

"We are now passing through the poorest slums," he said, as the car turned into a side street. "These people have little to brighten their lives."

"I must do something for them," sighed the lady, adding to the chauffeur: "James, drive the car slowly and turn on the big lamps."—Tit-Bits.

Usually those who continue to suffer from stubborn ailments are those who refuse absolutely to heed the teachings of medical science. New discoveries are being constantly made, and those who fail to take advantage of the wonderful accomplishments of men of science will continue under the handicap of disease.

Your eczema, tetter, boils, pimples, acne, scaly skin eruptions, and burning fiery irritations that cause so much discomfort by their terrifying itching, come from a tiny disease germ in your blood, which multiplies by the millions. These germs find some weak spot where they can break through the skin and set up their attack, and if you have ever had any form of these skin disorders, you know what real torture is.

The reason these disorders appear so stubborn and hard to get rid of, is because they are not given the proper sort of treatment. In other words, the irritation and itching becomes so intense that the patient thinks only of relieving this discomfort, instead of directing his efforts toward getting rid of the cause of it all. Hence the constant use of lotions, salves, soaps and ointments can make no impression whatever on your trouble, other than to afford some temporary relief.

But why be content with mere temporary relief? Are you not desirous of being permanently rid of this annoying trouble that is a source of such constant torture? Wouldn't you give almost anything to be once more free from the itching and burning that makes your skin seem like it was on fire?

Then throw aside at once such makeshift treatment that can only reach the surface, and begin taking a remedy that goes direct to the source of your trouble. Go to your drug store, get a bottle of S.S.S. and begin a thorough course of this fine old blood medicine that kills the germs that creep into the blood and cause all of your skin discomfort. S.S.S. is a purely vegetable compound, made from roots and herbs of recognized medicinal value. It so thoroughly cleanses and purifies the blood that the germs of disease are eliminated, and then real relief comes.

This fine old remedy is the sane and sensible treatment for your skin disease, as you will find by giving it a trial. If your case should need special advice, it can be had without cost to you, by writing to Chief Medical Adviser, 14 Swift Laboratory, Atlanta, Ga.

BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work.

People afflicted with bad breath find quick relief through Dr. Edwards' Olive Tablets. The pleasant, sugar-coated tablets are taken for bad breath by all who know them.

Dr. Edwards' Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system. They do that which dangerous calomel does without any of the bad after effects.

All the benefits of nasty, sickening, griping cathartics are derived from Dr. Edwards' Olive Tablets without griping, pain or any disagreeable effects.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint, with the attendant bad breath.

Olive Tablets are purely a vegetable compound mixed with olive oil; you will know them by their olive color. Take one or two every night for a week and note the effect. 10c and 25c.

Social, Clubs Churches

To Meet Thursday.

The Royal Neighbors will meet Thursday afternoon at 2:30 o'clock at the Modern Woodmen hall.

Guild Meeting.

Miss Nell Hudson opened the meeting of the Westminster Guild of the First Presbyterian church which was held last night at the home of Mrs. Emery Airy on North Main street, by conducting the devotional exercises. The program consisted of a continuation of the study on "Christian Americanization." After the program, refreshments were served by Mrs. Airy assisted by Miss Theresa Carstens, and a social hour followed. The next meeting will be held May 4, at the home of Miss Nell Hudson.

Picture Show.

About twenty members of the Junior department of the First Methodist church Sunday school were entertained last night in the basement of the church with a stereoptical picture show of children of other lands. The pictures were missionary in nature. Following the show, games were played.

Mary Lawrence Circle.

Miss Thella Hogue was hostess to a meeting of the Mary Lawrence Circle last night at the home of Mrs. Ed Egley on West Seventh street. Aims for the closing of the missionary year were emphasized during the business session and the members were urged to bring in all dues and special offerings by the June meeting. A committee was also appointed to nominate the officers for the new year. The program consisted of an interesting discussion on the mission work in the Phillipines, in which all members present took part. Three visitors, Mrs. W. J. Lininger, Miss Bessie Curnutt, whose membership was transferred from the Mission Circle to the Mary Lawrence Circle and Miss Addie Hunter, a former member were present at the meeting. The May meeting will be held at the home of Miss Gertrude Wright with Miss Marjory Hartman as leader.

M. I. Circle.

A program about world-famed artists of music and their work, and descriptions of musical instruments was enjoyed by the members of the Mutual Improvement Circle at the last semi-monthly meeting for April held yesterday afternoon at the home of Mrs. F. M. Martin. The devotional exercises were conducted by Mrs. George Hartley. Roll call was answered by the giving of a name of a musician. Mrs. Robert Lyle opened the program with a description of many new and old musical instruments. Mrs. Hartley followed with a talk about violin music and a sketch of the life of Maud Powell. "The Music the American People Demand" was the subject of an article read by Mrs. Louisa L. Caterson. Mrs. U. A. Burris spoke on "Popular Music." Mrs. Eugene Ogden told of the life and compositions of Paderewski and Mrs. Vada Halley gave stories of the girlhood of Lillian Nordica. Mrs. W. A. Bailey gave the concluding talk on Schumann-Heink. A number of victrola selections were played during the afternoon. Sixteen members and one visitor, Miss Mabel Martin, attended the meeting.

S. S. School Party.

The Ever Ready Sunday school class of the First Methodist church, taught by Mrs. E. F. Wolfert, was entertained last night at the home of Mr. and Mrs. J. A. Appleby with Miss Flora Appleby, Miss Merle Ford and Miss Thelma Craig as hostesses. Progressive rook was played during the evening and refreshments were served by the hostesses. Those present were Misses Margaret Kerr, Odette Wilderman, Justine Fraser, Charlene Pixler, Ruth Houchens, Vina Dougherty, Hazel Pugh, Gertrude Belt, Gladys Thompson, Mrs. E. F. Wolfert and the three hostesses.

New Officers.

Mrs. C. C. Hellmers was elected president of the Twentieth Century club for the coming year at a meeting held yesterday at the home of Mrs. W. O. Garrett on East Fourth street. The other officers elected are first vice-president, Mrs. F. S. King; second vice-president, Mrs. Elmer Fraser recording secretary, Miss Ora Barmann; corresponding secretary, Mrs. Jesse Douglas; treasurer, Mrs. Dan R. Baker; custodian, Mrs. H. E. Miles; auditor, Mrs. C. D. Bellows. The meeting was held in the form of a club luncheon with Mrs. Ed Egley, Mrs. C. J. Eckert, Mrs. H. E. Miles, Mrs. Ed G. Orear, Mrs. J. C. Allender, Mrs. F. S. King, Mrs. W. W. Randall, Mrs. Arthur Brewer and Mrs. W. O. Garrett as hostesses. Thirty-seven members attended the luncheon. One former member, Mrs. Arch Carter, was reinstated and two new members, Mrs. Fred Curfman and Mrs. Harry Kerr were received into the club. A letter was read written by Mrs. Phoebe J. Ess of Kansas City acknowledging and thanking the Maryville club for the $100 sent to the Phoebe Ess scholarship fund. A short program about birds consisting of a talk on the life of John James Audubon by Mrs. F. S. King and several bird victrola selections was given at this time. The next meeting of the entire club will be an open session of the Shakespeare department to be held Tuesday of next week at the home of Mrs. D. J. Thomas.

Lodge Meeting.

There will be a meeting of the Rebekah lodge Thursday night at the I. O. O. F. Hall. All members of the drill team are urged to be present.

Party at College.

The Philomathean and Excelsior literary societies of the State Teachers College will entertain the Eurekan literary society tomorrow afternoon at the regular society hour from 3:20 until 4:20 o'clock. The party will be held in the kindergarten rooms of the College and games, a program and refreshments will furnish entertainment.

CHICAGO MAN BUYS ENTIRE MOUNTAIN TOWN

Cascade, Colo., April 21—This Colorado mountain town, located in Ute Pass, 7,000 odd feet above sea level, in the shadows of Pike's Peak, with a normal population of nearly 200, is now the sole property of Thomas Cusack, Chicago "Billboard King."

The entire town, "lock, stock and barrel," has been purchased by Cusack, who plans to make Cascade one of the most famous mountain resorts in the world.

The unique deal, whereby an individual purchaser secures possession of an incorporated town, was consummated by the payment of a sum said to be in excess of $100,000. It turns over Cascade's homes, sidewalks, hotels, light plant, water rights and the town "calaboose."

Cascade was incorporated in 1890. It is twelve miles west of Colorado Springs, and its population ranges as high as 1,500 during the tourist season. There are approximately 500 acres in the townsite.

FIRST WOMAN NAMED COLLECTOR OF CUSTOMS

Mrs. Estelle V. Collier, of Salt Lake City, has the distinction of being the first woman in the United States to be appointed a collector of customs. Customs district No. 48, of which she will have charge, includes the States of Utah and Nevada. The position pays a salary of $2,500 a year.

Although a number of men had ambitions to obtain the appointment, which was made by President Wilson, Mrs. Collier was selected, and is said to be well fitted to discharge the duties of her office. She is a native of Utah. Her husband is a mining engineer and now a county surveyor. There are four children, the youngest fourteen years old, who are being educated according to the most advanced ideas.

Mrs. Collier has long been active in club work and public movements. She is chairman of the Democratic Women's State committee.

WOULD HARNESS ELECTRIC POWER OF AURORA BOREALIS

Chicago, March 21.—Possibility of harnessing the mighty electric forces of the Aurora Borealis and utilizing them for telegraph and telephone current and other power was seen during the recent Aurora display by Wilfred Weber, wire chief for the Western Union Telegraph Company here.

"Such a dream is not unrealizable," he said. "The voltage of the Aurora is so high that it might have been used to send telegraph messages. The chief difficulty, it seems to me, is the irregularity of the Aurora current."

WOMAN DIRECTIR FOR ARMY WORK NAMED.

Washington, D. C.—Mrs. John B. Casserly, of San Francisco, has been appointed Director of Women's Relations, U. S. Army. Her duties will be to supervise the employment, operations and conduct of women employed by the army for duty in the service clubs and as hostesses; to promote cooperation between the army and the women of the country; to advise the War Department concerning the working conditions, comfort, welfare and morale of the women employed by the army, and to advise the department as to the relations between the personnel of the army and the women of the country.

Mrs. Casserly has had wide experience in social welfare work.

UNIQUE MARRIAGE FEE

Altoona, Pa., April 21.—After he had united a couple in marriage recently Rev. J. Emory Weeks, pastor of the Simpson Methodist Church here, was presented with what appeared to be a box of candy. It contained however, 1,000 pennies and several gold coins. Rev. Weeks states it is the most unique marriage fee he ever received.

MARYVILLE, MO.

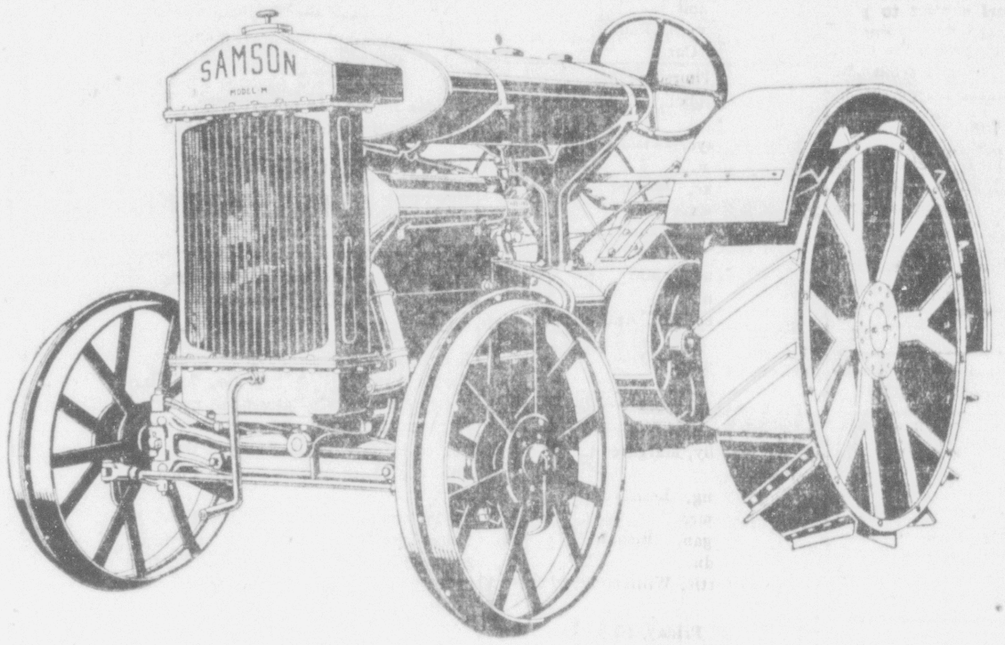
THREAD RUBBER

Your Spring Field Work

Have the rains put you behind in your spring work?

Practically every farmer in the County has been greatly delayed in his work this spring. This delay may prove costly, unless every means are used to make up for lost time and to get your crops in as soon as possible. As soon as the fields dry enough to become workable, "every lick must count," and you must do the greatest amount of work in the shortest time.

The SAMSON TRACTOR



The Samson Tractor offers a solution to this problem—it can be a great help to you in your spring work. You needn't worry about working it too hard, and it will do the work of several horses at one time and with one man. And this is worth something, when you consider the scarcity of farm labor and the wages they are being paid.

May we suggest that you come in and let us explain to you how the Sampson can help you in your Spring work problems.

CARBON!

Rid System of Clogged-up Waste and Poisons with "Cascarets."

Like carbon clogs and chokes a motor, so the excess bile in liver, and the constipated waste in the bowels, produce foggy brains, headache, sour, acid stomach, indigestion, sallow skin, sleepless nights, and bad colds.

Let gentle, harmless "Cascarets" rid the system of the toxins, acids, gases, and poisons which are keeping you upset.

Take Cascarets and enjoy the nicest, gentlest laxative-cathartic you ever experienced. Cascarets never gripe, sicken or cause inconvenience. They work while you sleep. A box of Cascarets costs so little too.

Mrs. Turner Here.

Mrs. Charles Turner of Kansas City is spending the week in Maryville the guest of her father, Johnathan Stark. Mrs. Turner was formerly Miss Rosanna Stark of this city.

Bolsheviks Rampage in Russia.

London, April 21.—The Bolshevik troops in South Russia began an advance into Crimea today according to the dispatches to the government today from General Wrangle, who has been organizing anto-bolshevik resistance at Sebastopol.

FOR ITCHING TORTURE

Use Antiseptic Liquid Zemo

There is one remedy that seldom fails to stop itching torture and relieve skin irritation and that makes the skin soft, clear and healthy.

Any druggist can supply you with Zemo, which generally overcomes skin diseases. Eczema, itch, pimples, rashes, blackheads, in most cases give way to Zemo. Frequently, minor blemishes disappear overnight. Itching usually stops instantly. Zemo is a safe, antiseptic liquid, clean, easy to use and dependable. It costs only 35c; an extra large bottle, $1.00. It will not stain, is not greasy or sticky and is positively safe for tender, sensitive skins.

PALMER IN THE LEAD IN GEORGIA PRIMARIES

Watson Second With Hoke Smith Bringing Up Rear—Returns Indicate Victory for Palmer.

Atlanta, Ga., April 21.—Latest returns this morning from Tuesday's election says that Georgia presidential primaries show Palmer to be leading Watson with Hoke Smith third. Incomplete and delayed returns indicated that Palmer carried forty-eight counties with one hundred forty convention votes. Watson carried fifty counties with one hundred twenty votes, Smith forty-two counties and one hundred votes.

RAIL PEACE IN CHICAGO NOT IN SIGHT YET

Radical Leader Stampedes Meeting Called to Discuss Plans of Returning to Work.

Chicago, April 21—Hope for settlement today of the switchmen's strike in the Chicago district went glimmering when a mass meeting of the strikers, called to hear plans of the strike leaders that the men return to work, was broken up by one man who arose in the gathering and persuaded the outlaws to disperse. His shouts of "walk out, boys," "keep on striking," was taken up by other radicals and the meeting was soon stampeded.

John Grunau, the strikers chief was not present and his absence gave the radical leader his opportunity. Federal agents were on the trail later.

ROACH BURIAL RITES HELD YESTERDAY AT BURLINGTON JCT.

Burial in Ohio Cemetery—Many Out-of-Town Relatives Attend Services of Mrs. T. H. Roach.

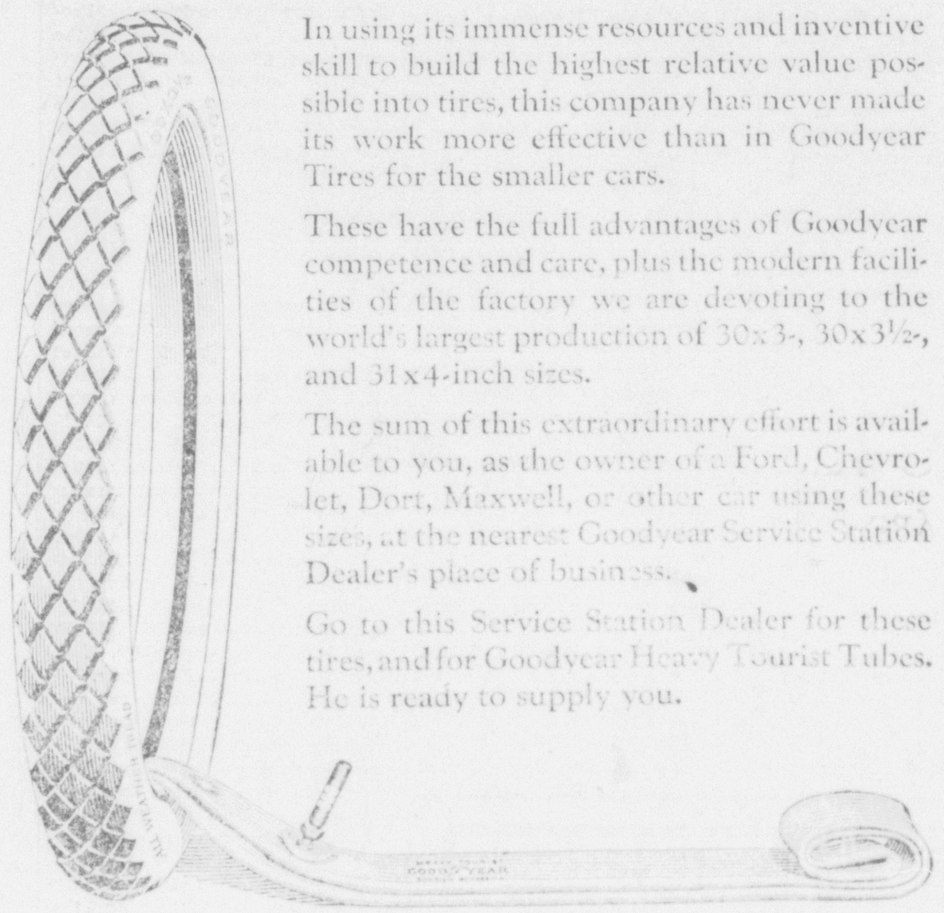
Tires for the Smaller Cars— Built With Goodyear Methods



In using its immense resources and inventive skill to build the highest relative value possible into tires, this company has never made its work more effective than in Goodyear Tires for the smaller cars.

These have the full advantages of Goodyear competence and care, plus the modern facilities of the factory we are devoting to the world's largest production of 30x3-, 30x3½-, and 31x4-inch sizes.

The sum of this extraordinary effort is available to you, as the owner of a Ford, Chevrolet, Dort, Maxwell, or other car using these sizes, at the nearest Goodyear Service Station Dealer's place of business.

Go to this Service Station Dealer for these tires, and for Goodyear Heavy Tourist Tubes. He is ready to supply you.

30x3½ Goodyear Double-Cure Fabric, All-Weather Tread $23.50

30x3½ Goodyear Single-Cure Fabric, Anti-Skid Tread $21.50

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3½ size *in water-proof bag* $4.50

Barmann Auto Company

Authorized Goodyear Service Station

COSTS ONLY $6,750,000,000 A YEAR TO RUN THE U. S.

Total Expenditures for a 12 Months Period Ending June 30 Reach Two Million Per Day

Washington, D. C., April 21.—It cost $6,028,176,000 to run the government for the first nine months of the fiscal year. With this as an average, treasury officials today said total government expenditures for the twelve months' period ending June 30 next would reach approximately $6,750,000,000, or near $2,000,000 a day.

Further appropriation by congress and the soldier bonus, which is estimated will cost the government $1,000,000,000, are not included. Last December Secretary Glass figured that running expenses would amount to $6,097,237,000, but he did not take into account the loss in government operation of railroads.

The principal items which go to make up the nine months' expenses are: Ware department, $1,301,605,000; railroad administration, $776,590,000; navy department, $621,364,000; shipping board, $433,100,000, and interest on the public debt, $664,923,000. Congress has spent for its own maintenance $15,309,000 and the executive offices cost $6,177,000.

OLD GARMENTS NEW WHEN DIAMOND DYED

Shabby, Faded, Old Apparel Turns Fresh and Colorful.

Don't worry about perfect results. Use "Diamond Dyes," guaranteed to give a new, rich, fadeless color to any fabric, whether it be wool, silk, linen, cotton or mixed goods—dresses, blouses, stockings, skirts, children's coats, feathers, draperies, coverings.

The Direction Book with each package tells so plainly how to diamond dye over any color that you can not make a mistake.

To match any material, have druggist show you "Diamond Dye" Color Card.

NEW ASSISTANT AT BURLINGTON DEPOT ARRIVES TODAY.

B. P. Flemming of Cresiun, Ia., arrived in Maryville today to assume his duties as cashier at the Burlington freight office. Mr. Flemming is successor to L. S. Hamilton who left April 7th, to become freight clerk in the Des Moines freight office for the C., B. & Q. Mr. Flemming was formerly from Hopkins and has been employed for the freight office at Creston for the past three years.

Shows Where Seed Grew.

Jefferson City, Mo., April 21.—The Missouri seed law, went in to operation on January 1, 1920, requires as one of the ever present parts of the label the following as quoted from the statute: "Name of state where seed was grown, and, if this is unknown, a statement to that effect."

Retail dealers are warned today by the Missouri State Board of Agriculture that they must see to it under penalty of the act that all seeds in sales of ten pounds or more must show "where grown" on every label.

"Seed Mixtures" and "Special Mixtures" of seeds defined under the law are not required to show "where grown" on account of the large number kinds of seeds used in some of these mixtures, for it would work a hardship in some cases to keep track of where each ingredient of mixtures was grown and to list same on an ordinary label would work a further hardship.

This "where grown" will be approved by every farmer in Missouri, and the strict observance of this part because it will aid in the selection of acclimated varieties.

Mrs. H. F. Barkhaus of Waterloo, Iowa, who has been visiting her sister, Mrs. U. S. Wright, left this morning for Parnell to visit her mother, Mrs. Mark Barkman, who has just returned from a winter's visit at San Diego, Cal.
